## Using the Icons:

If an icon is listed in a WMA, that season is open with possible restrictions that will be listed.

If the Big Game and/or Small Game icon is listed, then all Big Game and/or Small Game species are open with the statewide season unless otherwise noted.

The top line of each WMA is a quick reference guide to see what species are open to hunting during the statewide season.

The WMA summaries supply hunt dates, bag limits and special regulations. There are general regulations that may not be listed but apply to all WMAs (pages 38-42). **Read ALL regulations before visiting a WMA.**

If there are special managed hunts or seasons, these will be listed separately underneath each WMA. Specific dates, bag limits, and/or restrictions will be listed there.
